The Town Council
Brightening the Town

The Town Council has an events team who run a number of free family events throughout the season. These include the Town Carnival, a Drive Through Time Motor Gala and an annual Proms in the Park event. In 2013 for the first time the Town Council decided that instead of using part of their budget on just one event, they would facilitate a number of activities for children along the Promenade. These Funshine Days ran, weekdays, from the end of July to the end of August and these days will run again in 2014.
The Town Council is also responsible for the Christmas Illuminations that light up the town from the end of November and throughout the Christmas season.
The event to mark the switch-on of the lights takes place at the end of November.
