PADLOCKS AND SECURITY

The code on the padlocks will be changed in November. You will be advised of the code for your site separately from this newsletter

WINTER MAINTENANCE

May we remind everyone that plots must be kept tidy and well maintained over the Winter period and not be allowed to get overgrown. Site visits will continue over this period. Can we also ask that those with sheds and greenhouses keep a check following periods of high winds with any damage attended to promptly.

You are responsible for keeping the edges and paths around your plots cut and tidy. There are a lot of plots at the moment that have overgrown edges and paths. This is not acceptable - please ensure that these are attended to

RENTS 2020/21

Thank you to those who sent in payment for 2020/21 rent promptly.

If you have not paid or returned your signed agreement please do so. Your tenancy will not continue without payment and the signed agreement being received by the Town Council

PLEASE NOTE: WEEDKILLER AND PESTICIDES ARE NOT ALLOWED ON THE ALLOTMENTS

ANNUAL GENERAL MEETING OF ALLOTMENT HOLDERS

This has been cancelled for 2020 due to Covid restrictions

FACEBOOK PAGE FOR ALLOTMENT TENANTS

If you are on Facebook come and find your own page at Bognor Regis Town Council, Allotments. Swap information, ask for help, share hints and tips and more. This is for tenants ONLY

BONFIRES

When clearing the plot in Autumn and Winter you may wish to have a bonfire. Current advice from Arun District Council remains that bonfires should **NOT** be lit because of air quality for those suffering from, or recovering from, Covid and we ask you to adhere to this. Please remove cleared rubbish from the site unless it can be composted on your plot.

PLEASE RESPECT YOUR NEIGHBOURS

WATER MATTERS!

Water will be turned off from 16th November until Spring 2021
