About

The annual Drive Through event, now in its 13th year, showcases vintage and modern vehicles alongside a live broadcast of the Silverstone F1 British Grand Prix on the Big Screen. Also includes live music, children's activities, food concessions and a craft and charity fair.

The Drive Through Time Motor Gala sees West Park filled with over 200+ vehicles/bikes through the ages from across the UK that attend annually, in addition to the well-attended craft and charity fair showcasing the many local groups, charities and businesses in the area.

A high-quality music act opens the festivities, before the Silverstone F1 race is live broadcast on the Big Screen. The Kids Zone is packed with free children's activities to keep all ages groups entertained throughout the day.

Event Goals

Provide a day of free entertainment for residents and visitors.

Give businesses and community groups an opportunity to raise awareness and funds.

Encourage visitors to Bognor Regis

Footfall estimate:
10,000 – 15,000

What's in it for you?

An opportunity to reach thousands of potential customers through our extensive advertising of the event.
