

Arun District Council (ADC) Services

For further details about how ADC's services are to be impacted by the current Coronavirus (Covid 19) situation please visit :

<https://www.arun.gov.uk/coronavirus#what>

ADC are operating their key services, just in a different way and ask that you contact them online or by phone where possible.

With immediate effect ADC are restricting access to their buildings, including the Town Hall and the majority of staff will be working away from the offices.

Access to the buildings will be limited to those people who are homeless on the day.

Supporting Rough Sleepers

ADC will be working with their partner agencies in the Town to provide support and keep services running.

Refuse Collections

As at 23rd March 2020, refuse, recycling and green waste collections are continuing as normal.

Please note the special measures you should take with your waste should you or someone in your household have symptoms of Covid 19:

- If you think you may have Coronavirus and are self-isolating please make sure that personal waste (such as used tissues) and disposable cleaning cloths are stored securely within disposable rubbish bags.
- These bags should be placed into another bag, tied securely and kept separate from other waste. This should be put aside for at least 72 hours before being put in your usual household waste bin.
- Other household waste can be disposed of as normal.
