

## COVID-19 UPDATE

In line with government advice and the fast moving situation around the coronavirus we will stop delivering our normal offer from Children and Family Centres and Youth Centres from 23 March 2020 until further notice. This will include stopping the provision of all groups and events for children, young people and families.

We will be keeping 7 centres open across West Sussex however; these will now act as support centres offering crisis payments and to distribute food parcels. The list of these centres is as follows:

**Adur & Worthing – Durrington & Kingston Buci CFCs** Tel: 07841867340

**Arun – Treehouse CFC** Tel: 07860858654

**Chichester – Chichester CFC** Tel: 07860858616

**Horsham – Hurst Road Youth Centre** Tel: 07525211177

**Mid Sussex - Park Youth Centre** Tel: 01444 255477

As this is a fast moving situation, we will continue to keep you updated as to the situation regarding the services we provide.
