

BOGNOR REGIS IN BLOOM

Bognor Regis In Bloom 2024

Bognor Regis in Bloom is a competition for the residents and businesses of the five wards of Bognor Regis to help make the Town a nicer place to shop, work and visit, whilst importantly focusing on what we can do in our gardens to help the battle against climate change.

Entry forms are now available for the 2024 Competition.

If you have been busy nurturing a beautiful front garden, producing a picturesque floral balcony, planting up your hanging baskets or adding colour to your business or premises, then MAKE SURE YOU ENTER our competition, for your chance to win one of our coveted trophies!

With seven categories available to enter, there really IS something for everyone, including schools and businesses!

Forms are also available to download from the Town Council's In Bloom website page https://www.bognorregis.gov.uk/Annual_Competition_47433.aspx

Alternatively call Bognor Regis Town Council on 01243 867744 to request a form by post or email.

Please tell your family, friends and any neighbours who may be interested!
