

Bognor Regis in Bloom – 2020

The local community improving the local environment

Bognor Regis in Bloom is a competition for the residents and businesses of the wards of Bognor Regis to help make the town a nicer place to shop, work or visit, while at the same time helping instill greater civic pride. Also, to encourage the younger residents to learn about gardening.

This is a free competition and has categories that should appeal to not only the green fingered, but also beginners. **The garden must be visible from the kerbside or public footpath (apart from 8 and 9).**

You may nominate a friend, relative or neighbour (but we do ask that you gain their permission before doing so). You may know of a local business which has made a particular effort within your community and feel they should be recognised for their efforts.

1. **Best kept front garden, any size** *Sponsored by Peter Baldwin & Co. Accountants*
2. **Best private balcony, window box, hanging basket or container** *Sponsored by Arundel Trophies & Engraving Centre*
3. **Best business balcony, window box, hanging basket or container**
