List Date: 13th November 2026

ARUN DISTRICT COUNCIL

PLANNING WEEKLY LIST

Advertised date: 19th November 2026

The application, plans and documents may be inspected by clicking on the application reference link in this list or by searching on line at: https://www.arun.gov.uk/planning-application-search.

Comments on applications should be made before the date indicated next to the application and it may not be possible to take into account any comments received after this date.

If you wish to comment on an application where representations are invited, you can do so electronically by going to the website looking up the planning application reference and clicking into 'Enter Comment'. This is the quickest way to make your representation and you will get an acknowledgement letter containing a copy of your comments when it has been downloaded into our system. If you are unable to use the online comment facility, you can email your comments to planning@arun.gov.uk but you will not receive a formal acknowledgement email just an automated acknowledgement. You will be able to check that it has been uploaded to the website but please allow 5 working days for it to be uploaded. Please make sure you quote the planning application reference if you are emailing so it can be easily matched to the application.

All representations including names and addresses are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information which is defamatory or breaches equality or any other legislation. The Council will aim to redact signatures, telephone numbers and email addresses but please help us by not including this information within the comments section if you are submitting through the website or in the main body of your letter. For details of what we do with your personal information, please refer to our privacy statement comments on planning applications which is available on our website at https://www.arun.gov.uk/privacy-policy/

Unfortunately, it is not possible for the council to respond to each letter individually, but your comments will be carefully considered before the application is determined. You will be advised if the application is one that is going to be determined by the Planning Committee and you will be informed of the decision. The progress of the application can be followed on the website.

Should the application subsequently go to an appeal, the council will forward any comments made to the Planning Inspectorate and they will publish them on their website:https://acp.planninginspectorate.gov.uk/ but they will protect personal details. Please note that where an appeal proceeds by way of the expedited procedure under the written representations procedure, there is no further opportunity to make comments on the application. In this case, the only comments the Planning Inspectorate will consider are those submitted

on the original planning application.

To register to receive notification of planning applications in your area please go to
https://www1.arun.gov.uk/planning-application-finder

List Date: 13th November 2026

OTHER APPLICATIONS WHICH ARE NOT ADVERTISED

This is a list of all other applications submitted to the Council which are not advertised in the West Sussex Gazette. The application documents can be viewed by clicking on the links via the reference number.

These include the following types of application:

Application for Non-Material Amendments (suffix of NMA) - This type of application is a request for a minor change to be made to an existing planning permission via a simple application procedure.

Application for Matters Reserved By Condition (suffix of DOC) - This type of application is to check whether the details submitted satisfy the condition(s) on the corresponding planning permission. (If it relates to a Listed Building Consent it would require statutory advertising and would appear under the Statutory Notices Section at the beginning of this list.)

Application for a Certificate of Lawfulness for a Proposed Use or Development (suffix of CLP) - This type of application is submitted to determine whether planning permission would be required for a development.

Application for a Prior Notification for works to Trees(s) in a Conservation Area (suffix of TC) - This type of application is submitted to determine whether the tree(s) have amenity value and are therefore worthy of further protection under a Tree Preservation Order.

Prior Notification for an Agricultural Building (suffix of AG) - This type of application is submitted to consider siting, design and external appearance of an otherwise "permitted development" under part 6 of the Town and Country Planning (General Permitted Development) Order 2015.

Prior Notification for Demolition (suffix of DEM) - This type of application is submitted to consider the method of demolition and any proposed restoration of the site of an otherwise "permitted development" under part 11 of the Town and Country Planning (General Permitted Development) Order 2015.

Prior Notification for Certain Change of Uses (suffix of PD) - This type of application is submitted to consider certain changes of use under part 3 of the Town and Country Planning (General Permitted Development) Order 2015.

Permission in Principle (suffix of PIP) - This type of application is limited to the consideration of the 'in principle' matters of location, land use and amount of development under The Town and Country Planning (Permission in Principle) order 2017. If approved, other matters would be considered in the technical details application stage.

A/162/26/DOC	Approval of details reserved by condition imposed under A/40/18/OUT relating to condition 29-as built drawings.	Land North of Water Lane Angmering
