**Statement of Responsibilities**

**31 March 2021**

**The Council's Responsibilities**

The council is required:

- to make arrangements for the proper administration of its financial affairs
- to secure that one of its officers (R.F.O.) has the responsibility for the administration of those affairs. At this council that officer is the Town Clerk, and
- to manage its affairs to secure economic, efficient and effective use of resources and safeguard its assets.

**The Responsible Financial Officer's Responsibilities**

The R.F.O. is responsible for the preparation of the council's Unaudited Financial Statements in accordance with Part 4 of the "Governance and Accountability for Local Councils – A Practitioners Guide (England) (as amended)" (the guide), so far as is applicable to this council, to present a true and fair view of the financial position of the council at 31 March 2021 and its income and expenditure for the year then ended.

In preparing the Unaudited Financial Statements, the R.F.O. has:

- selected suitable accounting policies and then applied them consistently
- made judgements and estimates that were reasonable and prudent, and
- complied with the guide.

The R.F.O. has also:

- kept proper accounting records, which were up to date, and
- taken reasonable steps for the prevention and detection of fraud and other irregularities.

**Responsible Financial Officer's Certificate**

I further certify that the Unaudited Financial Statements present a true and fair view of the financial position of Bognor Regis Town Council at 31 March 2021, and its income and expenditure for the year ended 31 March 2021.

Signed: .....

Mrs G. Frost CiLCA- Town Clerk

**Statement of Accounting Policies**  
**31 March 2021**

**Auditors**

The name and address of the External Auditors is provided for information only.

These Statements are not subject to audit and the External Auditors have no responsibility for them.

**Accounting Convention**

The accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) (FRSSE) issued by the Accounting Standards Board, as applied to Local Councils by part 4 of Governance and Accountability for Local Councils – A Practitioners Guide (England) (the guide). Comparative figures have been restated to conform to the revised formats where appropriate. Certain requirements have been omitted for clarity and simplicity as these statements are not subject to audit. They are produced in support of the council's audited Statement of Accounts contained within the Annual Return Statement of Accounts.

These accounts have been prepared having regard to the fundamental accounting concepts of: Going Concern, Prudence, Accruals, Relevance, Consistency, Reliability, Comparability, Understandability and Materiality.

The accounts have been prepared under the historical cost convention.

**Fixed Assets**

All expenditure in excess of £1000 (on any one item or group of similar items) on the acquisition, creation or enhancement of fixed assets is capitalised on an accruals basis in the accounts. Expenditure on fixed assets is capitalised, provided that the fixed asset yields benefits to the authority and the services it provides, for a period of more than one year. Fixed assets are valued on the basis recommended by the Chartered Institute of Public Finance and Accountancy (CIPFA) and in accordance with the statements of asset valuation principles and guidance notes issued by the Royal Institution of Chartered Surveyors (RICS). The closing balances are stated on the following basis:

all assets are included in the balance sheet at the lower of cost (estimated where not known) or estimated realisable value, except that,

certain community assets are the subject of restrictive covenants as to their use and/or future disposal. Such assets are therefore considered to have no appreciable realisable value and are included at nominal value only.

The surplus or deficit arising on periodic revaluations of fixed assets has been credited or debited to the Revaluation Reserve. Subsequent revaluations of fixed assets are planned at five yearly intervals, although material changes to asset valuations will be adjusted in the interim period, should they occur.

In accordance with Financial Reporting Standard (FRS) 15, depreciation is provided on all operational buildings (but not land), as well as other assets.

**Depreciation Policy**

Buildings and leasehold land are depreciated over the shorter of 50 years or the anticipated remaining useful lives on a straight line basis.

Freehold land is not depreciated.

Non Operational Assets (including Investment Properties) are not depreciated.

Vehicles, plant, equipment and furniture are depreciated over 3 to 10 years on a straight line basis.

Infrastructure assets are depreciated over 10 years at 10% per annum straight line.

Community assets are not depreciated, because they are of either intrinsic or purely nominal value.

The investment in Screen 4 of the Picturedrome Cinema is being depreciated over the life of the loan finance (20 years).

Depreciation is accounted for as a Balance Sheet movement only, not through the Income and Expenditure Account.

**Bognor Regis Town Council**  
**Statement of Accounting Policies**  
**31 March 2021**

**Grants or Contributions from Government or Related Bodies**

**Capital Grants**

Where a fixed asset has been acquired or improved with the financing either wholly or in part by a grant or contribution from government or a related body, e.g. Sports Council, the amount of the grant has been credited to Deferred Grants Account and carried forward. Grants so credited are released back to revenue over the life of the asset to match, and thereby offset wholly or in part, depreciation charged.

**Revenue Grants**

Revenue grants are credited to income when conditions attached thereto have been fulfilled and/or equivalent expenditure has been incurred. Grants received in respect of which the conditions have not been fulfilled, or expenditure incurred, are carried forward as deferred revenue grants.

**Debtors and Creditors**

The revenue accounts of the council are maintained on an accruals basis in accordance with the regulations. That is sums due to or from the council during the year are included whether or not the cash has actually been received or paid in the year. Exceptions to this are payment of regular quarterly and other accounts (e.g. telephones, electricity). This policy is applied consistently each year. Therefore, it will not have a material effect on the year's accounts or on the council's annual budget.

The council reviews the level of its commercial debtors on a regular basis and provisions are made, as required, where the likelihood of amounts proving ultimately collectable is in doubt.

**Value Added Tax**

Income and Expenditure excludes any amounts related to VAT, as all VAT suffered/collected is recoverable from or payable to HM Revenue and Customs. Any amounts not so recoverable are treated as a separate expense.

**External Loan Repayments**

The council accounts for loans on an accruals basis. Details of the council's external borrowings are shown at note 17.

**Leases**

Rentals payable under operating leases are charged to revenue on an accruals basis. Details of the council's obligations under operating leases are shown at note 16.

**Reserves**

The council maintains certain reserves to meet general and specific future expenditure. The purpose of the council's reserves is explained in notes 19 to 20.

Certain reserves are maintained to manage the accounting processes for tangible fixed assets, available for sale investments and retirement benefits. They do not represent usable resources for the council:

Capital Financing Account – represent the council's investment of resources in such assets already made.

**Interest Income**

All interest receipts are credited initially to general funds.

**Bognor Regis Town Council**  
**Statement of Accounting Policies**  
**31 March 2021**

**Cost of Support Services**

The costs of management and administration have been apportioned to services on an appropriate and consistent basis.

**Pensions**

The pension costs that are charged against precept in the council's accounts, in respect of its employees, are equal to the contributions paid to the funded pension scheme for those employees.

These contributions are determined by the fund's actuary on a triennial basis and are set to meet 100% of the liabilities of the pension fund, in accordance with relevant government regulations.

The next actuarial valuation is due at 31st March 2022 and any change in contribution rates as a result of that valuation will take effect from 1st April 2023.
