**54. ADJOURNMENT FOR PUBLIC QUESTION TIME AND STATEMENTS**

There were no members of the public seated in the public gallery, therefore, the meeting was not adjourned.

**55. CLERK'S REPORT FROM PREVIOUS MINUTES**

There was nothing to report.

**56. TO CONSIDER PLANNING APPLICATIONS ON LISTS DATED 12<sup>th</sup>, 19<sup>th</sup> AND 26<sup>th</sup> JULY 2024**

**56.1** The Committee noted that there were no views from other Town Councillors to report.

**56.2** The Committee noted that no representations had been received from members of the public, or neighbouring parishes, in respect of these applications.

**56.3** The Committee, having considered the applications, **RESOLVED** that its representations be forwarded to ADC (Appended to these Minutes as **Appendix 1**).

**57. TO RATIFY ANY PAVEMENT LICENCE APPLICATION REPRESENTATIONS SUBMITTED BY THE TOWN CLERK IN ACCORDANCE WITH THE DELEGATED AUTHORITY AND PROCESS**

There had been no Pavement Licence applications received for Bognor Regis.

**58. TO CONSIDER PREMISES LICENCE APPLICATIONS INCLUDING ANY VARIATIONS AND ANY OTHER LICENCE APPLICATIONS**

There had been no Premises Licence applications, including any Variations or other Licence applications, received.

**59. TO AGREE ANY COMMENTS TO BE SUBMITTED IN RESPONSE TO ADC'S CONSERVATION AREA CHARACTER APPRAISALS PUBLIC CONSULTATION**

The Assistant Clerk's report, including the copy of the consultation response form attached, was **NOTED**.

In considering the draft Character Appraisal for the Bognor Regis Station Square Conservation Area, Members wished to see the boundary extended to include the 1938-vintage art deco "Odeon" style signal box and the ornate footbridge, both of which are Locally Listed by Arun District Council.

There continued to be concern about ongoing street drinking, and subsequent antisocial behaviour, at Station Square which Members felt was exacerbated by the style of planters presently in place, which lent themselves to be being sat or laid upon. It was suggested that an ADC Conservation Officer visit the site between 3pm and 7pm, in particular, on a Friday evening to likely witness the issue as described.

In response to ADC's Bognor Regis Station Square Conservation Area Character Appraisal, Members unanimously **AGREED** to submit comments including a request that the boundary be extended to include the signal box and footbridge, and that a 'No Alcohol' Zone be introduced at Station Square with the current planters removed and replaced with plant containers that are less appealing to street drinkers.

When considering the draft Character Appraisal for the Hotham Park Conservation Area, Members noted that it was proposed to extend the boundary to include the area within which the boating lake was located. In agreeing with this proposal, Members hoped that the lake would be used and promoted to its full potential as a visitor attraction. It was unanimously **AGREED** to submit these comments in response to ADC's Hotham Park Conservation Area Character Appraisal.

**60. TO CONSIDER ADC'S PROPOSALS TO INSTALL ADDITIONAL BEACH HUTS ACROSS THE ARUN COASTLINE AND AGREE ANY COMMENTS TO BE SUBMITTED AS FEEDBACK IN RESPONSE**

The Assistant Clerk's report, including the three maps for the potential sites identified in Bognor Regis and the report to ADC's Economy Committee Meeting held on 16<sup>th</sup> April 2024, was **NOTED**.

The general consensus amongst those present was that whilst beach huts were a positive addition to a seaside resort, they had to be in the right place.

There was concern that locating them on the shingle at the two sites identified on Bognor Regis Promenade, between the Pier and Alexandra Theatre, and between Albert Road and Gloucester Road, would result in a loss of views. Comment was also made about the potential for storm damage to beach huts placed on the shingle. Neither of these concerns were an issue for Members in relation to the proposed huts on the Promenade between Gloucester Road and Longbrook Park as these would be adjacent to the Butlin's car park and, therefore, would not have a negative impact on views. Members would like to see Arun offering beach huts to hire on a daily and weekly basis, rather than leased for a year, to enhance the experience of those visiting our seaside resort.

Members unanimously **OBJECTED** to the proposed additional beach huts on Bognor Regis Promenade (shingle) between the Pier and Alexandra Theatre, and between Albert Road and Gloucester Road. There was **NO OBJECTION** to additional beach huts being installed on Bognor Regis Promenade between Gloucester Road and Longbrook Park. It was unanimously **AGREED** to submit these comments in response to ADC's consultation in relation to installing additional beach huts across the Arun coastline.

The Committee is asked to consider funding improvements to three roundabouts Town Force maintain as follows:

**Squareabout** - removal of 20-year-old lavender surrounding the boats and planting of new lavender, repairs and painting of boats, new timber borders and additional shingle to the areas.
