They then need to re-declare their interest and the nature of the interest at the commencement of the item or when the interest becomes apparent. They should request that it be recorded in the Minutes that they will leave the meeting and will neither take part in discussion, nor vote on the item.

In accordance with good practice, individual forms were available to those Councillors present in order that they could personally record their interests - both Disclosable Pecuniary and Ordinary. These forms should

be returned to the Committee Clerk at the end of the meeting to enable all declarations of interest to be accurately recorded in the Minutes. Members were reminded that it is their responsibility to notify the Monitoring Officer of all Disclosable Pecuniary Interests or Ordinary Interests notifiable under the Council's Code of Conduct, not already recorded on their Register of Interests Form, within 28 days.

42. ADJOURNMENT FOR PUBLIC QUESTION TIME

Meeting adjourned at 6.32pm

A Member in the public gallery spoke about a recent article in a local newspaper concerning Liberal Democrats Councillors and the way in which they were allegedly treated at a District Council Meeting earlier in the month.

A member of the public asked for an update regarding the letter that he had asked the Town Council to write at the Policy and Resources

Committee Meeting held on 4th June 2018 (Min. 9 refers). The Town Clerk advised that an update on this matter would be reported under Matters Arising.

The member of public also spoke of an article that had featured in the latest publication of a local newspaper regarding Arun District Council's proposals for the London Road coach, lorry and car park. He was of the opinion that the development would be doing a disservice to the Town and asked this feeling be supported by the Town Council in writing a letter to ADC.

The Chairman suggested that the matter be raised at the next BRTC/ADC Liaison Meeting, and this was subsequently **AGREED**.

Meeting reconvened at 6.39pm

Figures are still awaited regarding the cost of incorporating Wifi into the system and will be provided to Council as soon as they are available.

43.4 4th June 2018 - Min. 9 - Public Speaking

As instructed, the Town Clerk wrote to WSCC with a copy sent to the Chief Executive of ADC regarding possible relocation of the Amenity site. Cllr. 43.6 4th June 2018 - Min. 16 - Notice of Motion

The Deputy Clerk had made enquires with the appropriate team at ADC regarding their work with the homeless and was informed that the Homelessness Reduction Act 2018 leaves the same duty on Local Authorities to assess all those who present themselves as homeless but they now have to go further and rather than just assess their housing needs they have to take an holistic approach, taking into account any other issues and working with their partner departments to prepare a personalised Action Plan.

49. TO CONSIDER BOGNOR REGIS TOWN COUNCIL FORMALLY RECOGNISING WORLD MENTAL HEALTH DAY; THIS RECOGNITION WOULD COME FROM WEBSITE AND SOCIAL MEDIA PROMOTION AS WELL AS ENABLING LOCAL COMMUNITY GROUPS TO HOLD EVENTS - AS REQUESTED BY CLLR. STANLEY

Councillor Stanley advised Members that he was looking to achieve awareness of Mental Health Day by bringing into perspective projects and events, that support Mental Health Day, taking place in Bognor Regis.

Members **AGREED** that it was a good idea to promote these events on social media platforms providing that by promoting such events there would be no expectation of any financial contribution or commitment from the Town Council. Once having been made aware of any Mental Health Day events that are taking place in Bognor Regis, the Town Council will signpost these on its website and Facebook page.

50. **TO CONSIDER BOGNOR REGIS TOWN COUNCIL WORKING ALONGSIDE THE TOWN COUNCIL'S ACCOUNTANT IN ORDER TO MAKE A MORE COMMUNITY FRIENDLY VERSION OF FINANCIAL INFORMATION, WITH A SPECIFIC FOCUS ON LANGUAGE, CONTENT AND FORMAT AND AN AIM TO MAKE THE COUNCIL'S FINANCIAL RECORDS MORE WIDELY ACCESSIBLE AND UNDERSTANDABLE TO THE ELECTORATE - AS REQUESTED BY CLLR. STANLEY**

In light of this proposal, prior to the meeting, the Town Clerk had liaised with the Town Council's Accountant regarding the request to vary the financial information to make it more understandable to the electorate.

The Town Clerk read out the following observations, made by the Accountant, to Members:

"The essence of Local Authority reporting is to reflect the Costs of (and Income earned from) the Services that the Council provides to its electors, thereby showing (in effect) where their money is actually spent. It is for this reason that the reports published are clearly denominated into service headings. This is in marked contrast to the private sector where the overwhelming emphasis is on the "bottom line" and how it was earned.

The accounting package that the Council uses is specifically written to produce the reports required to achieve the above objective. The reports are embedded within the software, thereby eliminating the possibility of error in their production arising from the transfer of information from one medium to another.

There are other reports also contained within the software, and alternative means of budgeting (e.g. by phasing monthly).

I would be happy to show Cllr. Stanley the alternative possibilities available but would caution against:

Extraction of data into e.g. specially written Excel reports, the time and effort would inevitably increase the fees chargeable and (more importantly) increase the possibility of incorrect/incomplete reporting and, any attempts to change the current services reporting structure which has served the Council well for many years."

Members discussed at length the pros and cons of the formats currently adopted by the Council in sharing its financial records with the electorate, including the pictorial form used for the Budget Breakdown in the Town Council's Newsletter for 2018.

Following debate, Members **AGREED** to defer any decision on moving forward with this proposal at this time. It was further **AGREED** that the Town Council's Accountant be invited to attend a meeting with Members of the Town Council on one of his contractual visits to consider alternative

options for financial reporting with Members, with further consideration being given to this at the next meeting. This would be subject to the Accountant's availability to meet with Members within the timeframe.

The Chairman asked that the Town Clerk liaise with the Accountant to agree a date on which he would be available to attend a meeting, and that the Clerk update Members accordingly. In the meantime, Cllr. Stanley was asked to gather some examples.

51. TO RECEIVE THE NOTES OF THE MEETING OF THE ARUN DISTRICT ASSOCIATION OF LOCAL COUNCILS HELD 25th APRIL 2018 AND OF THE ANNUAL GENERAL MEETING ON 20th JUNE 2018 (IF AVAILABLE)

The Notes of the meeting held 25th April 2018, and of the Annual General Meeting on 20th June 2018, were not available.

A Member in the public gallery asked the Chairman if he could speak on the item and this was **AGREED** by Members.

The Member in the public gallery spoke of issues with the Chairmanship of ADALC and the future of the organisation.

The Chairman thanked the Member in the public gallery for the verbal report.

52. REPORT FROM THE PROJECTS OFFICER ON TOWN CENTRE ISSUES INCLUDING ANY REPORTS ON MEETINGS WITH THE TOWN CENTRE MANAGER AND BID BOARD MEETINGS

Furthermore, Members **NOTED** that this additional expenditure may result in the current IT Support Costs budget being exceeded as a consequence of these necessary works.

55. **TO RECEIVE AND IF ACCEPTABLE APPROVE A DRAFT AGREEMENT FOR FUTURE MAINTENANCE AND POWER SUPPLY TO OLBY'S CLOCK AND TO RATIFY EXPENDITURE (IF AVAILABLE)**

AGENDA ITEM NO.

ARUN DISTRICT COUNCIL

**REPORT TO AND DECISION OF BOGNOR REGIS
REGENERATION SUB-COMMITTEE ON 24TH SEPTEMBER 2018**

PART A : REPORT

SUBJECT: BOGNOR REGIS TOWN CENTRE MANAGEMENT AND BID UPDATE

REPORT AUTHOR: Caroline Gosford: Arun DC
DATE: 31st August 2018
EXTN: 37854
PORTFOLIO AREA: Economy Group, Place Directorate

EXECUTIVE SUMMARY:

The report provides a final evaluation of the town centre management initiative, and an update on the recently adopted Business Improvement District (BID)

RECOMMENDATIONS:

Members are requested to recommend to Full Council that:

1. The contents of the report are noted.

1. BACKGROUND:

1.1 Town Centre Management History

In 2011 the Council was instrumental in drawing together a stakeholder partnership, the Town Centre Management Group, to look at how to improve Bognor Regis town centre.

In 2012 an independent survey of traders was commissioned by the Council to establish their priorities for improvement, and a Walking Tour of the town undertaken with Members from all tiers of local government to understand their priorities. From these data sources, the "Heart of the Town" Strategy and Action Plan was drawn up to deliver the priorities identified which fell into two main categories: improvement of the public realm and proactive management of all aspects of the town centre.

From 2013, the Council focused on the public realm improvements which have been delivered for the core town centre area. A Traders' Association was set up, and a Free 2 hour Parking scheme established in partnership with the Council and Town Council. It soon became clear that existing officer resource from town and district Councils would not be sufficient to deliver the detailed and co-ordinated management and improvement of the town centre. A dedicated town centre manager would be required to achieve this.

1.2 Town Centre Manager post

The Town Centre Management Group set about collating the funding for such a post. The concept was that the post would be funded for 4-5 years, with the “end game” being the establishment of a Business Improvement District to provide ongoing sustainable funding for the management and improvement of the town centre.

The £270k+ funding for the 4.5 year post plus a small working budget of around £30k came from several sources as set out below:

| | |
|---------------------------|----------|
| Sainsbury's S106 via ADC | £104,049 |
| Arun District Council | £87,000 |
| Bognor Regis Town Council | £40,000 |
| Butlin's | £40,000 |

The University of Chichester agreed to host the post. This management arrangement has delivered an additional in-kind contribution of around £50,000 to the initiative.

Toyubur Rahman was appointed as Bognor Regis Town Centre Manager in May 2014.

2. TOWN CENTRE MANAGEMENT DELIVERY :

This report sets out an evaluation of the town centre management initiative over the 4.5 years it has been operational.

2.1 Business Plan/Work Programme

Early in the delivery, a Business Plan setting out the vision and overarching objectives, and a Work Programme were created in collaboration with the Town Centre Management partners. These were drawn up using traders' and public surveys and stakeholder input to identify priorities and deliverables, together with baselines in order to measure the impact and performance of the town centre management.

The Business Plan included the vision “***To become a premier seaside town, building on its culture, heritage, and traditions whilst fully embracing modernity***” with key objectives which translated into the four main headings used in the Work Programme:

- “A Welcoming Town Centre”
- “A Well-Known Town Centre”
- “A Town Centre where businesses can thrive”
- “A Regenerating, Developing and Accessible Town”

Under each heading there was a series of deliverables (18 in total) with associated objectives, and various actions under each deliverable.

2.2 Evaluation of delivery and progress

Review of the Work Programme shows that most (13/18) deliverables have been completed and achieved, with objectives met and often (5/13) exceeded. The majority of the actions within the deliverables have been completed, and those that have not are started, or held over to become part of the BID. Preparation for the BID and its implementation have absorbed much of the last two years of the Town Centre Manager's contract time. A summary of the Work Programme deliverables, activity and progress can be seen in Appendix A. A presentation will be shown at the meeting of the outcomes delivered which will become Appendix B to this report.

2.3 Highlights

Many of the objectives have been achieved and expectations exceeded on many occasions. An example of this was the work leading up to the inception of the Business Improvement District. The percentage turnout (60%) was one of the highest nationally compared to other BID ballots which indicates the depth of engagement with, and buy-in from the voting businesses. The majority voting in favour of the BID (80%) was also exceptionally high which is an endorsement of businesses' satisfaction with town centre improvement work to date, and the preparation of a strong and relevant BID Business Plan that meets the needs of the town centre businesses.

Some highlights typifying the impact of the town centre management initiative are listed below:

- **Aerial Birdman:** Innovative, creative and ambitious event with 135m zipwire that drew positive national attention and delivered record-breaking footfall and spend for town centre businesses
- **Winter Ice Rink:** The opportunity to have the ice-rink on Place St Maur for Christmas 2017 arose at very short notice. A concerted partnership effort by many Council officers, the Town Centre Manager, the ice rink operator, local traders, the Alexandra Theatre and other stakeholders made it possible. It was a huge success and universally popular with an estimated 9,500 skaters plus 5,000 other visitors to the rink, benefitting both the local community and businesses.
- **Great British High Street:** Finalist in this prestigious national competition in 2015, raising the profile of the town on a national stage for all the right reasons. In addition to this, Toyubur Rahman was awarded the Special Recognition Award for his "remarkable achievements" as DCLG described them in the citation letter.
- **Retail Centre Quality:** There has been a step-change in the quality of the appearance of both the town centre public realm, and how the retail offer presents itself. Uplifting the public realm with investment of around £2.8m has encouraged business investment in town centre premises to the extent that over 50% of premises have been upgraded, with an estimated investment value of over £3m. This is reflected in the improved external and internal condition of business premises in the town centre. This is evidenced by the regular shop condition audits and before and after images, and the improved quality of the shop-fitting and display. This is clearly a good level of business investment, for example Boots' recent make-over was their largest refit investment in England. This investment has in turn made Bognor Regis a more attractive location for new outlets as evidenced by the recent influx of independents opening up for business.
- **Vacancy Rate:** This has been reduced from a high of 13.3% in October 2012 to 6.7% currently. As an example, Queensway previously had 26% vacancy rate and currently there are no vacant units. This is against a current national vacancy rate of 12%, with coastal towns traditionally faring worse than this.
- **Trader Training:** Levering in free training provision for businesses on topics they requested, for example the award-winning Customer Service training delivered by Butlin's who train Waitrose/John Lewis staff.
- **Civic Pride:** Although this is subjective and hard to measure it appears this has been generated in both town traders and the public. Traders have been engaged and involved in the many new events run in London Road precinct, from dressing up in Dickensian costumes during a themed Christmas market to being part of the shop window Advent Calendar, Community Clean-Up days to being part of

Children's Fun Days or live music events, handing out samples and leaflets to volunteering at other events. It is hard to quantify civic pride, but the public seem more proud of, and positive about, their town and less tolerant of those who chose to be negative about it.

- **Partnership and Co-ordinated Working:** The town centre has many stakeholders and service providers, who previously worked independently of each other. This resulted in a lack of co-ordination (9 different styles of bollard, overlapping events), a prevailing sense of disrepair and neglect, duplication and style differences and no "big picture" to work or aspire to. The Town Centre Manager role has been able to draw these individual town centre elements together to function as a whole and focused on a collective vision with an ambitious quality standard. Town centre management is a partnership activity that requires careful balancing of the desires and issues of stakeholders, and the need to extract the quality of services the town deserves from service providers, all the while keeping everyone on-side and working positively together. The results are demonstrated in the achievements set out in the Work Programme, and the very different face the town centre now presents to the world.

Joint working around events has created complementarity and increased the benefits they bring to the town, for example, running Christmas Markets and late-night shopping with the Town Council's popular Lights Switch-On event brings large and sustained footfall into the town for the benefit of traders.

The Council has been fully supportive of the Town Centre Management initiative and has contributed both financially and through officer time. An example of this was the huge undertaking of preparing for the BID vote which council officers resourced rather than commissioning external consultants. Significant officer time from 4 different Council officers enabled this process to be successfully completed in parallel with the Town Centre Manager's day-to-day role of ensuring efficient running of the town centre.

2.4 Data and Evidence

There is clear measurable evidence underpinning the improvements delivered by the Town Centre Management initiative in partnership with local stakeholders. Some are listed below with the data source in brackets:

- **Vacancy rates** halved: 13.3% to 6.7% across town centre (Regular Shop Audits)
- **Shop front condition** improved from an average of 2 out of 4 to 3 out of 4. The scale used is 1 – "Poor condition, grubby, untidy", 2 - "Average condition, OK", 3 - "Good condition, clean", 4 - "Very good, near perfect". Improvement has been so marked since audits started that the measurement scale has been recalibrated for the BID baseline. (Shop Audit)
- **Visitor numbers** increased: day visits up by 7% and staying visits by 9% between 2013-16 (Tourism SE: latest data 2016). This outperforms the South East and England overall.
- **Visitor spend** increased: day visit spend up 2.5% and staying spend up 3% between 2013-16 (Tourism SE: latest data 2016)
- **Footfall increased:** Overall since monitoring began, and also into peripheral areas of town centre. Data to be presented at the meeting.

In addition to this, the “after” surveys with traders and the public are being carried out during September 2018 which will record the change in satisfaction with the town since the 2014 baseline.

2.5 Business Improvement District (BID) Update

Following the successful ballot of town centre businesses, the BID was established in April 2018 and will run for 5 years. The BID company is now incorporated and is led and managed by a Board of 12 business Directors. It is set up as a company limited by guarantee as the Bognor Regis Improvement District Ltd and has the required legal agreements, insurances and accountancy services etc in place. A part time administrative assistant has been employed by the BID. The current Town Centre Managers contract ends in October 2018 and the BID are reviewing their future staffing arrangements.

An office base has been selected by the BID company in the unoccupied shop unit under the Picturedrome. Some maintenance issues need to be resolved before the unit can be occupied.

The Board is responsible for delivering the BID Priorities as set out in the Business Plan voted for by businesses, and paid for by a levy of 1.5% on their Business Rates which will generate over £700,000 across the five years of the BID term. The Priorities were drawn from the survey of businesses and are:

- A Well-Known Town Centre – to help improve the perception and image of Bognor Regis including events
- A Welcoming Town Centre – to help reduce crime and anti-social behaviour
- An Active Town Centre at Night – to help stimulate the evening and night-time economy
- Better Parking – to make it easier for visitors and staff to park in town and improve access

Delivery since April includes:

- the BID commissioning the agency behind the popular “Love Bognor Regis” initiative to deliver ongoing marketing and promotion activity including regular BID Newsletters,
- new promotional banners in the precinct and a BID section within the “Love Bognor Regis” website.
- a uniformed Community Warden service recently appointed to help reduce crime and antisocial behaviour.
- The 2 hour free parking scheme for 2019 has also been agreed between the BID and Arun DC.
- Looking ahead, the team’s immediate focus is to carry on working with partners to deliver a range of Christmas activities. This includes the planned return of the successful Christmas Ice Rink on Place St Maur.

The District Council is committed to the successful delivery of the BID and will be working closely with all the partners to achieve this.

Report by: Town Force Manager

Subject: Update on Town Force activities

Town Force unit.

It has come to our attention that the landlord intends to undertake painting of the cladding, canopies and roller doors for Units 1-6 at Southern Cross Estate. This would include Unit 2, for which the Council hold a full repairing and insuring lease. The landlord intended to recover the Council's share of the costs for these works at a cost of £3,640 excluding VAT. Following receipt of legal advice, the landlord was notified that the repair and decoration (internal and external) of this Unit is a matter for the Council as Tenant and as such, it will be making its own arrangements for these works to be carried out as this is the Council's responsibility according to the lease. A copy of the specification for the works in order has now been received from the landlord, ready for Town Force to commence the works and ensure compliance with the Town Council's legal obligations.

In view of the ongoing anti-social behaviour on the Estate, the landlord's contractor erected Heras fencing to the rear of the building, blocking the fire escape route from our Unit. This is the only access point to the rear of the building as a solid fence blocks the exit on the other side. The fencing has been padlocked shut and whilst a key has been provided to Town Force, this does not constitute a suitable means of access. The landlord was notified of our concerns at the time and whilst an alternative solution was suggested, the padlocked Heras fencing remains in situ.

There has been no response from the landlord regarding the rental of the caged parking space by the Town Force Unit G2.

Words of thanks.

A Member of the Public has emailed praising Town Force: "I must take time to praise the town force team. They are a credit to the town. Our roundabouts and floral displays are a sight to behold... Thank you very much for the pleasure the roundabouts and flowers give myself and I am sure everyone who lives in this town. Keep it up, it sets us apart from the other councils around."

Hotham Park Heritage Trust also emailed in following their Country Fair event: "I just want to say that Town Force Chris and his team mates have done a sterling job as always in helping make the Country Fair such a success, without their help we would have had an uphill struggle."

Town Force have also been praised for the amazing work they have done jet washing the patio at the Regis Centre.

Training.

2 Members of staff successfully passed the IPAF Mobile Work Platforms course.

Planting.

Town Force have started removing summer bedding plants in preparation for the first delivery of winter/spring plants on Monday 8th October and second delivery on Monday 15th October.

Request for installation of a hanging basket to the lamppost outside the Heygates Bookshop, High Street.

As previously reported, SSE have asked for Type 3 Structural Tests (Calculations) to the lamppost to be carried out before anything is attached to it. Following receipt of three quotes, the Town Clerk under her delegated power selected a contractor to test all columns that have BRTC hanging baskets attached. All contractors charge half a day's rate as a minimum so the cost to have just one column tested was prohibitive. It is anticipated that the testing will be undertaken by mid-October.

Future of the Street Scene Partnership.

Following several chasers, WSCC met with the Town Force Manager and the Deputy Clerk to discuss the future of the Street Scene Partnership. Discussion took place around all aspects of work currently undertaken, (including sponsorship), funding received from WSCC together with changes or additions to the areas in which the two organisations can work together. A full proposal for the 2019/20 partnership model is now awaited which will be presented to the Committee at the next meeting to enable any changes affecting the Town Council's budgetary provision, to be taken into account.

Sponsored planting.

Turner's Pies Ltd. and AC Letting have been sent their renewal offers and I am waiting to hear.

Sites remaining to be let: Squareabout x 2 sites, Arun Leisure Centre roundabout x 1 site, Chichester Road planter, 2 x Durban Road planters and 6 x Queensway planters.

Friends of Bognor Regis War Memorial Hospital.

Town Force have been awarded a contract for supply and maintenance of bedding plants within the hospital grounds.

Event support.

Town Force have supported the following events: HP Country Fair, Funshine Days, Kite Festival, Illuminations Gala, Artisan Market and Southdowns Folk Festival.

Odd Jobs for 3rd parties (extra revenue).

- * Arun DC – Graffiti removal at BR Yacht Club & unblocking TH downpipe;
- * The Regis Centre – Patio jet washing;
- * Middleton on Sea Parish Council – Various repairs at Shrubbs Field;
- * Bognor Regis Local History Society – Work to a sign bracket.

Examples of other jobs.

In addition to the routine jobs, Town Force have also attended to the cinema kiosk on various dates following a water leak, stained seafront decking, put up/removed the Town Council flag, installed new noticeboards to the wind shelters along the Prom, carried out general clean up outside the Regis Burger restaurant, prepared the Nissan truck for return to the lease company, planted cloud trees in the Health Centre planters, re-done lettering on a seafront bench plaque, put up poster boards at Fitzleet car park advertising the 2 hour free parking scheme, moved ROX equipment from the University to the yard as agreed, delivered/collected trophies from the engravers, put up / removed various sponsor signs, removed a range of graffiti & flyposting and done odd jobs at the allotments.

**FOR INFORMATION
AND DECISION**

Town Centre Manager Ops

The scheduled Town Centre Manager Ops for the 21st August 2018 was postponed however there are some updates available on some of the items:

Place Branding:

The survey analysis is still being undertaken though there has been some delay and the results previously anticipated for September may now be later than expected.

Master map:

The base map is now available via ADC.

Events:

This will now be the remit of the new BID Company.

Arcade:

The water supply issue is in the process of being addressed.

Shop Audit:

The vacancy rates have dropped again from 8.4% to 6.7%. The national average is currently 12%.

Lamp Post Banners:

The new banners designed by LoveBognor are now in place.

Crime/Shopwatch

This will now be the remit of the new BID Company.

Litter Police:

ADC have extended the contract for another 2 years. This is a self-funding project.

As has been publicised in the local press, the contract for the Town Centre Manager has come to an end and the BID have taken the decision not to retain the services of the TCM, Toyubur Rahman. There will therefore be no further TCM Ops updates with all communication coming through the BID Board.

BID Board

A BID Board Meeting was held on the 23rd August 2018 and the following issues were discussed:

BID Business Warden Update:

The BID has awarded the contract to SWL who will supply a Business Warden from the 3rd September for 40 hours per week for 12-months. An intelligence lead decision will ensure that there is cover in the Town every Friday and Sunday. To make the Warden more approachable to members of the public, the uniform will be labelled as a Community Warden and will have the BID logo. The District Police Commander for Arun and Chichester, who was in attendance, welcomed the decision and is keen to assist with sanitised information. It is anticipated that the Town Council will be invited to contribute towards the costs of this service, although final details are not yet known, and Members are therefore asked to consider the response to any request by the BID Board for such funding or defer this to a future meeting when the information becomes available.

DECISION

How do Members wish to proceed with regard to funding towards the Business Warden initiative?

BID Budget Update:

85% of the BID levy payments have been collected for this year and outstanding payments will be chased.

The BID Directors and ADC will liaise to discuss the original forecast budget for the business plan for clarity.

2-Hour Free Parking:

The Chairman confirmed that following a meeting with the Chief Executive of ADC, it has been agreed that the 2-Hour Free Parking Scheme will continue for 2019 on the same basis as 2018. The BID will be inviting the Town Council to contribute to the scheme.

A BID Car Parking Group will be set up going forward.

BID Staffing and Arrangements:

It is anticipated that, following the water leak at the premises, the office accommodation will be ready by the end of September. However, this is dependent on how quickly the insurance company can progress the works. In the interim period the BID Assistant will work from home.

It has been agreed that the Town Centre Manager will no longer continue to work with the BID and a hand over date is set for the 7th September 2018. The University and the BID will issue press releases in due course.

BID Administration:

The BID Administrator has collated all the relevant data which has been input onto the new BID base system allowing a more managed structure.

Any Other Business:

It was noted that following the handover from the current TCM the BID's Roles and Responsibilities will need to be reviewed.

The "East End" of the Town has suffered considerably with the closure of the Post Office and a member of the Board asked if more could be done to encourage footfall into the area. He would like to see an enhancement of the Christmas lighting for the area and some of the retailers are looking to install their own wall mounted Christmas trees this year.

Grandads Frontroom has been nominated to receive an award in this years Small Business Award – the Board congratulated Grandads on the achievement.

The lamppost banners in the London Road are now displaying the new banners designed by LoveBognor. A Board member asked if the Town Council would consider replacing the old gateway banners in a similar design to give a more uniformed look. The representative from the Town Council was asked to take this request back to the relevant committee.

The Newsletter has now been printed and will be distributed to all retailers and shops.

**BOGNOR REGIS TOWN COUNCIL
POLICY AND RESOURCES COMMITTEE - 15th OCTOBER 2018**

AGENDA ITEM 11 - TO CONSIDER AMENDMENTS TO THE STANDING ORDERS AND WORDING OF AGENDAS - COUNCIL MEETING 3rd SEPTEMBER 2018, MIN. 104.1 REFERS

REPORT BY DEPUTY CLERK

FOR DECISION

Members may be aware that at the recent Events, Promotion and Leisure Committee Meeting held on 6th August, the agenda included a Motion, originally proposed by Cllr. Cosgrove at the Council Meeting held on 2nd July, which had been referred to the Committee for debate.

As Members should be aware, the Standing Orders state the following: -

23.1 A member who has proposed a resolution that has been referred to any committee, of which (s)he is not a member, may explain her/his resolution to the committee but shall not vote.

The interpretation in the past has been that the Member should speak under the Public Question Time section of the meeting because, when attending a Committee meeting to which a Member is not appointed, that Member has no more rights than a member of the public and therefore should not be permitted to speak at any time other than under the public participation agenda item.

Unfortunately, Cllr. Cosgrove arrived late to the meeting, after this had been stated and after the Public Question Time session had finished and therefore he was unable to speak regarding his Motion.

Whilst all Members are urged to arrive in good time for meetings, whether serving on the Committee or not, this has thrown up a grey area in the Standing Orders which needs to be considered and appropriate amendments made to ensure that Members may speak when required, without disregarding proper practices which could result in poorly managed meetings.

Following discussions with SALC and Cllr. Cosgrove, it is therefore recommended that 23.1 of the Standing Orders be amended as follows (additions shown in blue):

*A member who has proposed a resolution that has been referred to any committee, of which (s)he is not a member, may speak **for three minutes at the beginning of the specific agenda item** to explain her/his resolution to the committee but shall **take no further part in the debate and will not vote.***

This amendment results in a clear framework for all Chairmen to adhere to. However, Members are reminded that, as stated above, when attending a Committee Meeting to which not appointed, on the assumption that this recommendation is accepted, unless speaking as the proposer to a Motion referred from Council, Councillors may only speak under the Public agenda item.

Members are also invited to note that for clarity with regards to Declarations of Interests, in future when Members are attending a meeting of a Committee to which they are not appointed, the Minutes will record the names of Councillors seated in the public gallery.

DECISION

Do Members **AGREE** to **RECOMMEND** to Council a revised S.O. 23.1 as noted above?

Following on from these discussions, it has come to the Clerk's attention that the title of the public part of the meeting "Adjournment for Public Question Time" does not encompass all situations. For example, a member of the public may not wish to pose a question but rather make a statement in support of an issue i.e. a planning obligation or make an observation about activities affecting the Town. It is therefore recommended that the agenda item title is changed to "Adjournment for Public Questions and Statements". As a result of this there will need to be some slight amendments to the Standing Orders which currently refer to "Public Questions" as follows: -

*31.7 A period not exceeding fifteen minutes shall be allowed for all meetings of the Council at which members of the public can ask questions **or make statements**, provided that if there are insufficient questions/**statements** to fill the fifteen minutes, the Council will commence business forthwith. Priority will be given to those who have submitted questions/**statements** in writing in advance. **Speakers** must give their name before stating their question **or making their statement** and may speak for up to a maximum of two minutes each or five minutes if speaking on behalf of a group or organisation. The meeting will be formally adjourned during such period.*

*31.8 A period not exceeding sixty minutes shall be allowed for meetings of the Community Engagement and Environment Committee only at which members of the public can ask questions **or make statements**, provided that if there are insufficient questions/**statements** to fill the sixty minutes, the Committee will commence business forthwith. The meeting will be formally adjourned during such period.*

DECISIONS

Members are invited to **NOTE** the change to the agenda wording to include statements as well as questions from the public.

Do Members **AGREE** to **RECOMMEND** to Council the amendments to S.O. 31.7 and 31.8 as detailed above?

With regard to the wording of agendas, it has been noted by the Town Clerk that the use of "Matters Arising" is poor practice as the item title may result in debate and decisions that are *ultra vires* and therefore not lawful. The Town Clerk will therefore, in accordance with recommended practices of the National Association

of Local Councils (NALC) and the Society of Local Council Clerks (SLCC), in future be renaming this agenda item "Clerk's Report" and whilst no amendment to the Standing Orders is necessary to facilitate the change, Members are invited to **NOTE** this.

DECISION

Members are invited to **NOTE** the change to the agenda wording to refer to "Clerk's Report" rather than "Matters Arising".

Finally, Members are invited to note that the Town Council does not currently base the Standing Orders on the recommended model document as drafted by the National Association of Local Councils (NALC). By not using this model, the ability to seek advice and the updating of the document to ensure legal compliance is complicated. The Clerk will therefore be looking to present to the new administration in May 2019, revised Standing Orders based on the NALC recommended model but tailored to accommodate Bognor Regis Town Council's own requirements.

DECISION

Do Members **AGREE** to **RECOMMEND** to Council the adoption of the revised Standing Orders (attached as **Appendix 1**), encompassing the amendments to clauses 23.1, 31.7 and 31.8 as noted above?

BOGNOR REGIS TOWN COUNCIL STANDING ORDERS

Adopted by the Council at its Meeting held on **??????????**

BOGNOR REGIS TOWN COUNCIL

STANDING ORDERS

A town council is generally not required by law to make Standing Orders which regulate how they conduct their business. However, the basic provisions in the 1972 Local Government Act (and other legislation) are insufficient for the majority of town councils and Standing Orders are therefore necessary for regulating the practical arrangements to give effect to statutory requirements.

These Standing orders were originally adopted by Council on 4th February 2015 and replaced all previous versions. This latest version was adopted on 2nd July 2018. They have been updated to reflect good practice, amendments to the Local Government Act 1972 and the Public Bodies (Admission to Meetings) Act 1960, the provisions of the Localism Act 2011 and the Openness of Local Government Bodies Regulations 2014, the General Data Protection regulation (GDPR) and the Data Protection Act 2018.

Any part of the Standing Orders printed in **bold type** may not be suspended by resolution under Standing Order 41.

Council do now adjourn". If such motion is seconded the Town Mayor shall put the motion but, in the case of a motion "to put the question", only if (s)he is of the opinion that the question before the Council has been sufficiently debated. If the motion "that the question be now put" is carried, the Town Mayor shall call upon the mover to exercise or waive her/his right of reply and shall put the question immediately after that right has been exercised or waived. The adjournment of a debate or of the Council shall not prejudice the mover's right of reply at the resumption. Where a meeting is adjourned the subsequent proceedings are part of the original meeting and no new notices or agendas need to be issued except a notification to members not present of the date of the continuation of the meeting.

13.0 DISORDERLY CONDUCT

13.1 No member shall at a meeting persistently disregard the ruling of the Town Mayor, wilfully obstruct business, or behave irregularly, offensively, improperly or in such a manner as to breach the Council's Code of Conduct or bring the Council in to disrepute.

13.2 If, in the opinion of the Town Mayor, a member has broken the provisions of Standing Order 13.1, the Town Mayor shall express that opinion to the Council and thereafter any member may move that the member named no longer be heard or that the member named do leave the meeting, and the motion, if seconded shall be put forthwith and without discussion.

13.3 If either of the motions in Standing Order 13.2 is disobeyed, the Town Mayor may suspend the meeting or take such further steps as may reasonably be necessary to enforce them.

14.0 RIGHT OF REPLY

14.1 The mover of a resolution shall have a right to reply immediately before the resolution is put to the vote. If an amendment is proposed the mover of the amendment shall be entitled to reply immediately before the amendment is put to the vote. A member exercising a right of reply shall not introduce new matter. After the right of reply has been exercised or waived, a vote shall be taken without further discussion.

15.0 ALTERATION OF RESOLUTION

15.1 A member may, with the consent of his/her seconder, move amendments to his/her own resolution.

16.0 RESCISSION OF PREVIOUS RESOLUTION

16.2 When a special resolution or any other resolution moved under the provision of Standing Order 16.1 has been disposed of, no similar resolution may be moved within a further six months.

17.0 VOTING ON APPOINTMENTS

17.1 Where more than two persons have been nominated for any position to be filled by the Council and of the votes given there is not an absolute majority in favour of one person, the name of the person having the least number of votes shall be struck off the list and a fresh vote taken, and so on until a majority of votes is given in favour of one person. A tie in votes may be settled by the casting vote exercisable by the chairman of the meeting.

18.0 DISCUSSIONS AND RESOLUTIONS AFFECTING EMPLOYEES OF THE COUNCIL

18.1 If at a meeting there arises any question relating to the appointment, conduct, promotion, dismissal, salary or conditions of service, of any person employed by the Council, it shall not be considered until the Council or committee (as the case may be) has decided whether or not the public shall be excluded.

A committee that is not a standing committee may have its Terms of Reference agreed or varied by a Resolution of the Council agreed by a simple majority of members present and voting.

20.6 The Chairman of a committee may summon an additional meeting of that committee at any time. An additional meeting shall also be summoned on the requisition in writing of not less than a quarter of the members of the committee. The summons shall set out the business to be considered at the special meeting and no other business shall be transacted at that meeting.

22.3 Non-Councillors are not empowered to vote when appointed to Standing Committees and Standing Sub-Committees unless such Standing Committees and Standing Sub-Committees have been formally resolved as being Advisory within the terms of the Local Government and Housing Act 1989.

23.0 PRESENCE OF NON-MEMBERS OF COMMITTEES AT COMMITTEE MEETINGS

the nature and extent of that interest as required. All interests declared at a meeting must be recorded in the Minutes.

25.3 If a member has declared a Disclosable Pecuniary interest, he/she must withdraw from the meeting during consideration of the item to which the interest relates. If the member has been granted a dispensation by the Council, he/she must still declare the interest but may take part in the discussion and vote.

25.4 Councillors must, in accordance with the Code of Conduct currently adopted by the Council, register in Arun District Council's Register of Councillors' Interests details of their Disclosable Pecuniary Interests by completing the appropriate form and delivering this to the Town Clerk, who will forward it to the Monitoring Officer.

- iii. it is otherwise appropriate to grant a dispensation.**

25.11 The Town Clerk shall also keep a copy of all dispensations granted by the Council.

25.12 Upon notification by the Arun District Council that it is dealing with a complaint that a councillor or non-councillor with voting rights has breached the Town Council's code of conduct, the Proper Officer shall report this to the Council.

25.13 Where the notification in standing order 25.12 above relates to a complaint made by the Proper Officer, the Proper Officer shall notify the Chairman of Council of this fact, and the Chairman shall nominate another staff member to assume the duties of the Proper Officer in relation to the complaint until it has been determined and the council has agreed what action, if any, to take in accordance with standing order 25.15 below.

25.14 The Council may:

- i. provide information or evidence where such disclosure is necessary to progress an investigation of the complaint or is required by law;

27.0 RESOLUTIONS ON EXPENDITURE AND DELEGATION

27.1 Any resolution which is moved otherwise than in pursuance of a recommendation of the Policy and Resources Committee or of another committee after recommendation by the Policy and Resources Committee and which, if carried, would, in the opinion of the Chairman of the Policy and Resources Committee, substantially increase the expenditure upon any service which is under the management of the Council or reduce the revenue at the disposal of any committee, or which would involve capital expenditure, except when this impact is already accommodated in an approved budget shall, when proposed and seconded, stand adjourned without discussion to the next ordinary meeting of the Council, and any committee affected by it shall consider whether it desires to report thereon and the Policy and Resources Committee shall report and make any appropriate recommendation on the financial aspect of the matter.

28.0 CANVASSING OF AND RECOMMENDATION BY MEMBERS

28.1 Canvassing of members of the Council or of any committee, directly or indirectly, for any remunerated appointment under the Council shall disqualify the

candidate for such appointment. The Clerk shall make known the purport of this Standing Order to every candidate.

28.2 A member of the Council or of any committee shall not solicit for any person any remunerated appointment under the Council or recommend any person for such appointment or promotion; but, nevertheless, any such member may give a written testimonial of a candidate's ability, experience or character for submission to the Council with an application for appointment, providing they are not part of the selection process.

By way of clarification, 28.1 and 28.2 above refer to appointments to the Council for employment or as councillors or members of committees and sub-committees, but do not apply to any person who is already a councillor, seeking internal or external appointments.

28.3 Standing Orders 26 & 28 shall apply to tenders as if the person making the tender were a candidate for an appointment.

29.1 A Member of the Council may for purposes of his/her duty as such Member but not otherwise inspect any document which has been considered by a Committee or Sub-Committee or by the Council, and if copies are available shall on request be supplied for the like purposes with a copy of such document. Provided that a Member shall not knowingly inspect and shall not call for a copy of any document relating to a matter in which he is professionally interested or in which he has any disclosable pecuniary interest. This Standing Order shall not preclude the Town Clerk to the Council from declining to allow inspection of any document which is or in the event of legal proceedings would be protected by privilege arising from the relationship of solicitor and client.

30.0 UNAUTHORISED ACTIVITIES

30.1 No member of the Council or of any committee or sub-committee shall in the name of or on behalf of the Council inspect any lands or premises that the council has a right or duty to inspect; or issue orders, instructions or directions unless authorised to do so by the Council or the relevant committee or sub-committee. Neither shall any member (unless specifically authorised by Council) respond to official correspondence on behalf of the Council. All such correspondence must, at all times, be sent out by the executive officers of the Council.

30.2 No individual Member of the Council shall require the compilation of any information by Officers of the Council, or give instructions to any officer or workman, except in so far as the Town Mayor or committee Chairman is entitled to instruct the Town Clerk to include any item on a Council or committee agenda pertinent to the work of the Council or committee as appropriate and subject to such request conforming in all other respects with these Standing Orders.

30.3 Requests from the press or other media for an oral or written comment or statement from the Council, its councillors or staff shall be handled in accordance with the Council's policy in respect of dealing with the press and/or other media.

31.2 In all cases where this resolution is used the special reasons should be stated. If a person's advice or assistance is needed they may be invited (by name) to remain after the exclusion resolution is passed.

31.3 The Town Clerk shall afford to the press reasonable facilities for taking their report of any proceedings at which they are entitled to be present.

31.4. A person who attends a meeting may not orally report or comment about a meeting as it takes place without permission if present at a meeting of the Council or committee or sub-committee, but otherwise may, whilst the meeting is open to the public:

- c. report or to provide oral or written commentary about the meeting so that the report or commentary is available as the meeting takes place or later to persons not present.**

31.5. The Council will where possible facilitate such recording unless it is being disruptive. It will also take steps to ensure that children, the vulnerable and members of the public who object to being filmed are protected without undermining the broader purpose of the meeting.

31.6 If a member of the public interrupts the proceedings at any meeting, the Town Mayor may, after warning, order that that person be removed from the Council Chamber.

31.7 A period not exceeding fifteen minutes shall be allowed for all meetings of the Council at which members of the public can ask questions or make statements, provided that if there are insufficient questions/statements to fill the fifteen minutes, the Council will commence business forthwith. Speakers must give their name before stating their question or making their statement and may speak for up to a maximum of two minutes each or five minutes if speaking on behalf of a group or organisation. The meeting will be formally adjourned during such period. Similar arrangements will apply at Committees except the Community Engagement and Environment Committee.

may be taken by the Clerk in conjunction with the Chairman and one other Councillor (see Standing Order 3 above).

36.3 It is not good practice to regularly have “any other business” as an agenda item, but if members’ choose to do so, this item can be used to impart or exchange urgent information which has arisen since the agenda was sent to members. No decision may be made on an item of business raised in this way.

36.4 The Town Clerk, in consultation with the Chairmen and Vice Chairmen of appropriate committees, shall take action deemed desirable on any matters for which the committee concerned have delegated powers but which require urgent action.

BOGNOR REGIS TOWN COUNCIL

POLICY AND RESOURCES COMMITTEE MEETING - 15th OCTOBER 2018

AGENDA ITEM 12 - DISTRIBUTION OF CONFIDENTIAL PAPERS - MIN. 121 OF COUNCIL MEETING 3rd SEPTEMBER 2018 REFERS

REPORT BY TOWN CLERK

FOR DECISION

This issue was raised at the last Council Meeting held on 3rd September 2018, with the procedure of not issuing confidential papers in advance of the meeting questioned by Members.

As Members will be aware, during the last 18 months there have been several occasions where confidential details, that were only made available in the Council Chamber, have been circulated in the public domain.

Therefore, in order to protect the Council from any action, the Town Clerk took the decision to only distribute the confidential reports at the meeting and for copies to be collected in at the end. Whilst it is acknowledged that this cannot prevent a Councillor revealing information to third parties outside of the Town Council, it is the most that a Clerk as Proper Officer can do to try and prevent confidential details being passed to non-Council Members.

Whilst it is ultimately Council's decision, it would go against the Town Clerk's advice to revert back to the issue of confidential papers in advance of a meeting. Furthermore, if Council is minded to take this course of action, it must be noted that the Town Clerk cannot be held responsible should any breach occur in the future.

However, it is acknowledged that the reading of the reports at the meeting, especially when lengthy, is not an ideal way for Members to be informed.

It is therefore suggested as an alternative and as proposed by Members at the last Council Meeting, that the confidential reports are made available in the Council Chamber from 6pm on the evening of the meeting for Councillor's perusal. Furthermore, that the confidential reports are displayed on the screen, after the public and press have left the Council Chamber.

DECISION

How do Members wish to proceed with regard to the distribution of confidential papers?

PRIORITY 1.

Promoting the Bognor Regis Brand and Town Area

The Council will identify a clear brand for Bognor Regis which reflects our core purpose to create an image that identifies the uniqueness of the council’s services and differentiates it from other councils’ services, so that over time this image becomes associated with our community promise, leading to increased credibility, quality and satisfaction in the mind of everyone who comes into contact with the Bognor Regis Town Council.

Project 1. Promoting the Bognor Regis Brand and Town Area.

The Town Council brand is one of its greatest assets. It’s not just a logo and design scheme, but reflective of its community, and visitors experience of its services. The brand is reflective of the community promise the Council’s values, personalities and, the way it communicates with residents and visitors. It is in the way services are packaged and style in answering the telephone. Communicating the brand clearly and honestly will spread confidence and goodwill. It is a badge of trust that will provide a competitive edge. The brand will tell the community exactly what to expect from Bognor Regis always delivering on promises leading to a better future for all.

**BOGNOR REGIS TOWN COUNCIL
POLICY AND RESOURCES COMMITTEE - 15th OCTOBER 2018**

AGENDA ITEM 14 - TO RECEIVE DETAILS OF A THREE-YEAR CONTRACT FOR CHRISTMAS LIGHTING IN THE TOWN, INCLUDING EXPECTED COSTS (EVENTS, PROMOTION AND LEISURE COMMITTEE EXTRAORDINARY MEETING 19th JULY 2018 - MIN. 26 REFERS), AND TO DISCUSS AND MAKE RECOMMENDATIONS REGARDING ANY NECESSARY BUDGETARY REQUIREMENTS FOR 2019/20 TO ENABLE FUNDING OF THIS EXERCISE

REPORT BY THE DEPUTY CLERK

FOR DECISION

The Events, Promotion and Leisure Committee, at their Extraordinary Meeting held on 19th July 2018, recommended that The Festive Lighting Company be awarded the contract to supply the Christmas lighting display for the Town, from Christmas 2019, for a three-year contract.

The current contractor, who has historically supplied the lights at a significantly low cost, chose not to tender for the contract this time. This means that the required budget for the Christmas displays has noticeably increased.

The brief was to supply costs for a core display and an enhanced display. The Festive Lighting Company supplied three quotations which are summarised below. A more detailed report is attached as Appendix 1a-c, and visuals will be available at the meeting.

| | Year 1 Costs 2019/2020 | Year 2 Costs 2020/2021 | Year 3 Costs 2021/2022 |
|----------------------|---------------------------|---------------------------|---------------------------|
| Option One: | | | |
| Display Costs | £ 20,807.68 | £ 17,106.92 | £ 17,106.92 |
| Infrastructure Costs | £ 4,433.00 | £ 825.00 | £ 4,433.00 |
| Total: | £ 25,240.68 | £ 17,931.92 | £ 21,539.92 |
| Option Two: | | | |
| Display Costs | £ 25,085.31 | £ 21,384.55 | £ 21,384.55 |
| Infrastructure Costs | £ 4,433.00 | £ 825.00 | £ 4,433.00 |
| Total: | £ 29,518.31 | £ 22,209.55 | £ 25,817.55 |
| Option Three: | | | |
| Display Costs | £ 29,611.73 | £ 25,735.83 | £ 25,735.83 |
| Infrastructure Costs | £ 7,023.00 | £ 3,415.00 | £ 7,023.00 |
| Total: | £ 36,634.73 | £ 29,150.83 | £ 32,758.83 |

However, these costs cannot be guaranteed as no calculation may be undertaken at this time as to the cost of extraordinary visits such as following poor weather etc. It would therefore be prudent to factor in a contingency amount to cover any additional hours. It is suggested that the budget be set at the costs quoted, plus a contingency of £2,000 per annum, rounded up or down to the nearest £500, with agreement that any unused funds are Earmarked for use in future years if required and any unused balance at the end of the three-year contract, returned to General Reserves.

If Members agree with this proposal, the budget to be funded for each of the options is as follows:

| | Year 1 Budget 2019/2020 | Year 2 Budget 2020/2021 | Year 3 Budget 2021/2022 |
|----------|-------------------------------|-------------------------------|-------------------------------|
| Option 1 | £27,000 | £20,000 | £23,500 |
| Option 2 | £31,500 | £24,000 | £28,000 |
| Option 3 | £38,500 | £31,000 | £35,000 |

DECISION

Which of the three options, with the associated expenditure for inclusion in the 2019/20, 2020/21 and 2021/22 budgets, do Members **RECOMMEND** to Council?

Do Members **AGREE** to **RECOMMEND** that any unused funds be Earmarked for use in future years?

Future Funding

The costs for the annual contract at the current time are £15,000 for provision, maintenance and installation, which as noted previously, are substantially lower than those quoted above.

As can be seen the costs vary year on year as certain elements relating to purchase of equipment are one off payments and also the maintenance programme varies between years.

Therefore, whilst Members will be agreeing at this meeting to enter into a three-year contract, with regard to budgets, the decision will be to identify funding for the Year 1 costs only. The budgets for Years 2 and 3 will be reviewed at the appropriate times in 2019 and 2020.

Having determined which of the three options Members wish to proceed with, Members are subsequently invited to consider how the shortfall for Year 1, when compared to the existing budget of £15,000, should be met:

| | Year 1 Budget 2019/2020 | Existing Budget | Additional Budget to be identified |
|----------|-------------------------------|--------------------|--|
| Option 1 | £27,000 | £15,000 | £12,000 |
| Option 2 | £31,500 | £15,000 | £16,500 |
| Option 3 | £38,500 | £15,000 | £23,500 |

For Members information, areas to be considered (but not exhaustive) are:

- i) Reallocation of the £10,000 partnership funding for Arun Arts Ltd which ceases this year. The Events, Promotion and Leisure Committee considered a proposal by Cllr. Cosgrove that these funds should be redirected to support a three-year funding arrangement with ROX. At the Committee meeting held on 6th August (Min. 40 refers), the Committee agreed in principle to the proposal and were in favour of £ for £ match funding. However, Officers were asked to meet with the ROX organisation for some discussion on how the partnership could work and to initiate the terms of a service level agreement prior to re-consideration by the EP&L Committee before any recommendation to this Committee is made. The earliest that this may be considered by the EP&L Committee is on 8th October 2018 and Members need to be mindful of any decision taken now regarding the Christmas Lights that could impact on any future ROX funding agreement.
- ii) Reduction in the Grant Aid budget
If Members are minded to adjust the Grant Aid budget to fund all or part of the required additional expenditure, it should be noted that this revised budget, once approved by Council on 5th November, will be the budget allocated for the 2019 Grant Aid applications, which are due to be considered by this Committee on 19th November 2018.
- iii) Reallocation of the budget previously used for the Town Centre Manager Role of £4,500 during 2018/19.
- iv) Increase in precept and per household charge.

DECISION

What changes to the budget do Members wish to **RECOMMEND** to Council to fund the required additional expenditure for Christmas Lighting costs in 2019/20?

- Community Engagement - update and plans for the future

- 'Your Councillors' - by Ward, including contact details, with Ward map
- 'Make a Stand' - Local Town Council Elections 2019

Whilst the 'Your Councillors' article was well received last year, it will not be included in the 2019 Town Newsletter as, by the time the Newsletter has been distributed, current Councillors will have little more than six weeks left in office.

Officer suggestions for articles in the 2019 Town Newsletter, in addition to the usual content (i.e. Mayor's Message, Budget Report), include the following: -

- Picturedrome Cinema - fourth screen opening; 100 years since the cinema opened in what had formerly been the Assembly Rooms
- Town Council Elections - with a focus on diversity amongst nominees, including reference to the 100th anniversary of Nancy Astor becoming Britain's first female MP, and the 40th anniversary since Margaret Thatcher became Britain's first female PM
- Brexit - with the UK's membership in the EU ceasing March 29th, what changes might be seen at a local level
- Bognor Regis War Memorial Hospital - 100 years since it first opened, a look back at its history; Friends of Bognor Hospital; services available
- Putting the 'Regis' in Bognor - 90 years on from King George V bestowing the title upon the Town
- Bognor Regis Royal Mail Delivery Office - taking a look inside the Delivery Office that serves our community, 60 years since postcodes were introduced
- Weather - 70 years since the first regular TV weather forecasts; significant weather events in Bognor Regis (including storm damage to the pier in October 1999); Town Council Weather Observations

AGENDA ITEM 16

Prior to the 2018 edition the Town Newsletter was A2 in size, folded in half to make an A3, 4-page document in a gloss finish. However, at the Council Meeting held on 12th March 2018, Members agreed that the 2018 edition would be produced as an A4, 8-page, publication in a matte finish.

It would assist Officers if guidance on the content of the 2019 Town Newsletter could be provided at the Policy and Resources Committee Meeting to be held on 26th November 2018 to ensure time for the Committee to review proposals before going to print.

Members are invited to offer their suggestions on the content, including provision of any examples from other publications, and layout/style for the 2019 Town Newsletter.

In addition to consideration of content and design, it has also been suggested that a photography competition is organised, with the winning image being featured on the front cover of the Town Newsletter. It is proposed that the competition be open to members of the public, perhaps limited to one entry per person, with the criteria being that the image must be a landscape of, or recognisable landmark, within the six Wards of Bognor Regis. With a date set for a deadline, after this time all entries will be shared to the Town Council's corporate Facebook page, with each photo identifiable by title and author. Within an agreed timeframe, the photo that receives the greatest number of 'Likes' will be determined as the winner and the photo used on the front cover, with credit given to the author. Subject to the number of entries received, and the space available within the Newsletter, it may be possible to feature thumbnail images of all other entries within the publication.

DECISION

How do Members wish to proceed with the suggestion of a photography competition for the front cover of the Town Newsletter?

**AGENDA ITEM 17 - TO RECEIVE AN UPDATE ON 2 HOUR FREE
PARKING FOR 2019 AND REAFFIRM THE COUNCIL'S SUPPORT FOR
THE SCHEME**

REPORT BY THE DEPUTY CLERK

FOR DECISION

At the recent BRTC/ADC Liaison Meeting, the issue of the future of the 2 Hour Free Parking Scheme was raised.

Confirmation was provided by ADC that the renewal of the Scheme would now be undertaken annually as a longer commitment was not possible due to the possibility of changes within the Town.

ADC confirmed that the Scheme will be in place once again for 2019 and furthermore, that the previous contribution regime will continue.

DECISION

Members are invited to **AGREE** to reaffirm the Town Council's support for the 2 Hour Free Parking Scheme and to **NOTE** that Town Council contributions to the Scheme will continue as before.

POLICY AND RESOURCES COMMITTEE - 15th OCTOBER 2018**

**AGENDA ITEM 18 - TO CONSIDER INTERNAL AUDIT REPORT 2018
- 2019 (INTERIM UPDATE) - IF AVAILABLE**

REPORT BY DEPUTY CLERK

FOR INFORMATION

A copy of the Internal Audit Report 2018-2019 (Interim Update) is attached for Members' consideration - **Appendix 1**.

The Town Clerk is pleased to be able to report that no significant issues have been identified by the Internal Auditor during his recent visit.

FOR INFORMATION ONLY

The Committee is invited to **NOTE** the Internal Audit Report 2018-2019 (Interim Update).

Bognor Regis Town Council

Internal Audit 2017-18

Summary of Work Undertaken at First Interim Visit on 3rd October 2018

Accounting Records and Bank Reconciliations

- Ø The Council remains a full Omega software user, with one combined cashbook for the Current & Reserve bank accounts operated at the Co-Op. In addition, there are supplementary holdings in the CCLA Deposit Fund and, as before, regular bookkeeping services continue to be provided by third party contractors (DCK Accounting);
- Ø We have again verified that an appropriate cost centre and nominal ledger structure remains in place for 2018-19;
- Ø We have checked the opening Trial Balance in the accounting software for 2018-19 to the closing Financial Statements for 2017-18 to ensure that all the detailed balances have been properly rolled forward: there were no matters arising;
- Ø We have checked and agreed a sample month's receipts and payments transactions (August 2018) from both bank accounts, including the daily "sweep" transfers, to the Omega cashbook; and
- Ø Finally in this area, we have checked and agreed the closing bank reconciliations as at 31st August 2018, with no long-standing or other anomalous entries arising.

Review of Corporate Governance

- Ø We have commenced our examination of the minutes of Full Council and its extant Committee meetings (with the exception of Planning & Licensing) to early September 2018; and
- Ø We have previously noted during 2017-18 that the Council's Standing Orders and Financial Regulations had been the subject of periodic review and re-adoption (in November 2017 and May 2017 respectively) and no further work was considered necessary in this area at present.

Review of Payments

- Ø We are pleased to note that there continues to be sound control over the authorisation of, and payments for, supplier invoices and other similar expenditures (still primarily by cheques);

- Ø We have commenced our testing of payments at this first interim stage, examining a sample of all those items individually in excess of £3,500 together with a more random sample of every 35th cashbook transaction (irrespective of value) to 31st August 2018. This sample comprised approximately 40 items in all, totalling £718,000 and representing 882% of all non-pay related costs in the period to that date;
- Ø We identified that each payment was supported by a relevant invoice, that an official order had been placed for all goods and services where appropriate (a number of utilities and other services are already contractually provided), that VAT had been properly separated and accounted for via the standard nominal ledger control account and that the items had been correctly analysed to the correct expenditure code; and
- Ø Other than noting that VAT returns continue to be submitted on a regular quarterly basis, utilising the HMRC on-line facility as required under extant legislation, no further testing was considered necessary at present with just one quarter having elapsed since our previous detailed consideration of the 31st March 2018 Statement of Accounts.

Assessment and Management of Risk

- Ø We note that the Council's insurance cover continues to be provided by Aviva (under a reasonably standard longer term agreement) and have examined a copy of the current policy schedule for the year ending 10th August 2019. We note that both Employer's and Public Liability cover stand at £10 million, that Fidelity Guarantee stands at £50,000 (as re-affirmed by members in July 2018) and Loss of Revenue is £100,000; and
- Ø We have previously noted in our reports for 2017-18 that the Council has a formal Risk Management Strategy and a supplementary detailed Risk Register (most recently re-adopted in February 2018) and no further work was considered necessary in this area at present.

Precept Determination and Budgetary Control

- Ø Other than noting from examination of current Council and Committee minutes that periodic budget monitoring reports continue to be considered by members (generally quarterly) no further work was undertaken in this area, the first visit being too early for any meaningful variances to be identified or for any considerations of the Precept for 2019-20.

Review of Income

- Ø Other than noting that members had approved various scales of fees and charges for 2018-19 in the previous municipal year and sample testing a month's cashbook receipts to relevant bank statements as noted earlier in this resume, no further work was undertaken in this area at present.

Petty Cash

The Council operates a limited petty cash scheme, with a maximum Imprest holding of £300 which is “topped up” as and when required. A small Excel control sheet is maintained and acts as both the Omega nominal ledger posting document and the approval for re-imbusement “invoice”. We have checked and agreed the expenditure incurred and re-imbursed in August 2018 to ensure that each transaction was supported by an appropriate till receipt and that any applicable VAT was separately identifiable for periodic recovery (albeit completely immaterial).

Additionally, the Clerk holds a debit card for the current account should the need arise for electronic payments, such as emergency expenditure or statutory requirements such as Land Registry applications. In a similar manner to the petty cash, this is very limited in use and we have checked and agreed a minor sample as part of the supplier payments testing noted earlier in this resume.

Salaries and Wages

We have examined the payroll procedures in place and the physical payments made to staff to date in 2018-19 by reference to the August 2018 documentation, the underlying detail of which continues to be produced externally by West Sussex County Council’s payroll bureau service.

- Ø The Council has duly implemented the previously agreed national pay awards for 2018-19 and we have agreed the salary rates of each employee to the published scales;
- Ø PAYE Tax Codes have been checked to ensure that appropriate allowances are being applied for the year following the annual budgetary increases in personal allowances with effect from April 2018;
- Ø National Insurance Table deduction rates have been checked to ensure that computations are made accurately;
- Ø Local Government Pension Scheme deduction rates have been checked to ensure they are in accord with the current bandings (virtually unchanged this year compared with 2016-17 and 2017-18); and
- Ø We have checked and agreed the individual’s deductions and net pay values from individual payslips to the payroll summaries provided by the bureau.

Investments and Loans

- Ø We note that the Council has previously adopted a formal Investment Policy (in January 2017) and no revisions have been considered necessary at present; and
- Ø We have noted that formal PWLB loan approval was granted for a further tranche of £100,000 in April 2018 and that this was subsequently drawn down in May 2018.

AGENDA ITEM 21

BOGNOR REGIS TOWN COUNCIL POLICY AND RESOURCES COMMITTEE – 15th OCTOBER 2018

AGENDA ITEM 21 - PICTUREDROME SITE UPDATE DIRECTOR'S REPORT, ANY URGENT ACTIONS TAKEN FOR RATIFICATION

Leak in Screen 3 of the Cinema - Members were advised at the last Town Council Meeting that a leak had occurred in the ceiling of Screen 3. It was also reported that following the initial investigation by a local contractor, the Managing Agents had arranged for a surveyor to carry out an assessment of the area and produce a report with recommendations on the cause of the water ingress and how to remedy the problem. This has now been completed and we have been advised by the Agents that the surveyor's initial findings all lead to the windows. The cost to undertake this assessment was £360 and this has been paid by BPCL.

The surveyors "Specific Defect Report" has now been received, which outlines the exact problem and provides some options towards a solution. The soft wood, glazed frames in the turret have suffered from their exposed position. The south facing frames have split and the filler is not waterproof. The external decoration of the frames has broken down and is now an inadequate rainscreen. The frames have not been decorated for at least 7 years and with the southern aspect and the exposed location, the frames are in a poor condition and they have therefore shrunk and split which is allowing water to track through the frame and then into the lower tower ceiling areas. It is recommended that as part of the repair work, the lead flashings, which were left in place when the roof covering was renewed in 2011 are also inspected and a report is to be made back to the client on their condition. It is also suggested that as part of the repair works the internal frames are prepared and treated in the same way as the external frames and stained to match the existing.

Having now liaised further with the Managing Agents, it is recommended that costs be obtained from the surveyor whom undertook the assessment to prepare a specification for the works required, put it out to tender and then oversee the works. The charge to undertake these works has therefore been requested and is awaited.

Following liaison with the Cinema Manager to establish the level of damage caused by the leak, the following response was received: -

"The only damage that I am aware of is to the boarding that you can see which is the top level of the tower, and to the lower ceiling that is just inside the hatch, the water dripped through the ceiling to the screen below, water damage was sustained to the seats but we have cleaned these up. As the hatch is so high up the cinema staff are not allowed to climb a ladder that high, so we are unable to fully investigate the damage."

The surveyor when carrying out his assessment did not report any further damage in the lower part of the tower internally so hopefully the ceiling in Screen 3 will only require redecoration and this will therefore be included in the specification of works.

Cinema Theatre Association - a copy of the Bulletin Magazine Vol. 52, No. 5 for September/October 2018 has been received which is available for Members to view if required.

Insurance Reinstatement Cost Assessment - as reported to the Town Council Meeting held on 3rd September 2018, the report had been received and had been sent to the Insurance Brokers to establish whether there needed to be any change in the sum insured. Confirmation has now been received back from the Insurance Company to advise that the current insured value is adequate and in line with the assessment undertaken.

Kiosk 1a Linden Road, leak through ceiling – as previously advised a response was awaited from the Insurers following the claim that had been submitted. This has now been approved and the relevant contractors are now undertaking the various works required to repair the damage.

Further information in relation to the above premises will be given at the meeting however as this is a contractual matter it will need to be done under confidential business.

Lightning Conductor retesting – the annual testing of the Lightning Conductor on the Cinema is due to be undertaken shortly. Quotations are currently being sought to enable this to be undertaken.

Regis Burger 1b Linden Road - further information in relation to the premises will be given at the meeting however as this is a contractual matter it will need to be done under confidential business.
