Please keep this booklet safe

This leaflet has been produced to keep you informed of the current guidelines for the Gravits Lane Allotments. Please keep it safe for reference. This along with your Tenancy Agreement forms the basis of your contact with the Council

1. Gates -You must always shut and lock the gate when entering or leaving the allotment site.

2. Dogs -Dogs are allowed on the allotment sites as long as they are kept under control, or on a lead if necessary, and any mess cleared up and properly disposed of.

3. Children - While children are allowed to accompany a responsible adult to the allotment site, children **must be kept under the control of said adult**. They should remain within the confines of the plot and not be allowed to wander around the site.

Large play equipment such as swings, slides and trampolines are **NOT** allowed on the allotment.

4. Trees/fruit bushes - Only fruit trees may be planted on the allotments and they must be pruned and maintained regularly, they should not be allowed to overgrow your plot. Fruit trees should be maintained to a maximum height of 8ft.

5. Cultivation - You must cultivate your plot and keep this free from weeds, docks, thistles, couch grass, and brambles. Should you fail to maintain your allotment you will be sent two warning letters prior to a Notice to Quit being issued. Tenants are asked to keep their footpaths and the edges of their plots tidy.

6. Need help - If you feel you no longer have the time or energy to maintain your plot (this must be done regularly or the overgrowth becomes a problem for others), talk to the Town Council. Do not let it linger on until year-end. Someone may be willing to share part of your plot although you would still be the responsible tenant.

7. Vacating your Plot - You may vacate your plot at any period by written notice to the Allotments Sub-Committee Clerk, at the Town Council Offices, but you are required to move your belongings within 7 days, leaving the allotment clear and tidy.

8. Repairs and Renewals - If you have noticed a damaged fence, leaking water tap or had difficulty opening the lock to your site, please let us know. Please tell one of the Tenants Representatives or if urgent please ring the Town Council and the repair will be arranged as soon as possible

9. Consideration - Please show respect for others and consideration, especially when erecting a shed/ greenhouse, planting something that will grow tall or installing tunnels - all of which may overshadow the neighbouring plot resulting in loss of vital sunshine. Permission must first be sought from the Town Council.

10. Tetanus - This can be caused by bacteria present in soil and manure. It may enter the body through a scratch, thorn, or cut. Make sure that you have a vaccination that can protect you against the disease. Your doctor can help with this.

11. First Aid Kit – It would be a good idea to keep one of these in your shed.

12. Rats - If you see any evidence of rats on your allotment this should be reported to the Tenants Representative or the Town Council Office who will make the necessary arrangements. Rats may carry Weil's disease via their urine.

13. Health and Safety - Please ensure that all tools/ hosepipes and glass panes are stored in your shed when not being used. Items such as wooden planks should be kept neatly on you plot.

14. Should you wish to raise any issues to the

Allotment Sub-Committee please talk to your Representative, or alternatively ring the Town Council.

15. Disposing of or letting your Plot - You may not sub-let your plot or offer this to someone else if you are vacating your allotment. As a tenant you are required to return the plot in a clean and tidy condition to the Town Council to be offered to people on the waiting list.

16. Trade or business - You may not carry out any trading or business from you allotment.

17. Rubbish - You may not bring rubbish (including old tyres or anything containing asbestos) to the allotment site or you may be charged for the removal of the rubbish.

18. Communal pathways - You may not at any time leave bags of rubbish, your compost bin, or any object to cause obstruction of the communal pathways or you may be charged for the removal of same. Your plot and paths must be kept free of hazards, ie. broken glass or scrap metal. Paths should be maintained at a minimum of 2ft wide.

19. Hosepipes - You are not permitted to leave a hose pipe with running water unmanned (this must be disconnected and stored before leaving your plot.) **PLEASE NOTE:** Watering cans are to take priority.

20. Public nuisance - You should not cause a nuisance to your neighbours by playing loud music, using bad language or making racist remarks, or by being drunk and annoying others. You are not allowed to be insulting, act violently or enter into any aggravated assault. This may result in disqualification from remaining a tenant.

21. Trespass - You should not trespass on the plots of other tenants unless they have given you permission and other tenants are aware of this agreement.

22. Plot numbers - You should not allow your produce to cover your plot number. This must be clearly visible at all times.
